

Seaside Homes Marks 25 Years of Excellence

Seaside Homes, one of the most experienced real estate agencies on Boston's South Shore, is celebrating 25 years in business. The busy Marshfield-based firm has been connecting buyers and sellers since 1985 through the firm's personal commitment to excellence, honesty, and integrity. Seaside Homes provides customers from more than a dozen towns with exceptional, value-added sales, buying, and leasing services in the residential real estate market. This underscores their mission of delivering outstanding customer service.

The idea to form Seaside Homes was sparked by five women in 1985 who shared a common passion for real estate and a desire to help homebuyers make the right move. Today, the agency boasts a staff of 16 full-time brokers who function as a team and complement each other to deliver the best service in the area.

Not only do Seaside Homes realtors provide sellers with highly effective strategies for marketing properties, but they also assist buyers with knowledgeable support to locate the real estate best suited to their requirements. They also maintain a strong referral network. Additionally, the firm plays a significant role in the community by supporting charitable and outreach projects and numerous school athletics, musical, dramatic, and enrichment programs.
